INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449. This Information Disclosure Statement is being filed, to the undersigned's knowledge, before the mailing date of a first Office Action on the merits. Applicant respectfully requests that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form. Copies of the listed documents are attached.

Under 37 C.F.R. § 1.98(a)(3)(i), the following is a concise explanation of the relevance, as it is presently understood, by applicant's attorney, of each patent, publication, or other information listed that is not in the English language.

DE 9112301.1 appears to show an endoscopic suturing device.

DE 9214580.9 appears to show a device for minimally invasive surgical procedures.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

The Commissioner also is authorized to charge our Deposit Account any additional fees (or credit any over payments) that may be required under 37 C.F.R. §§ 1.16 and 1.17 in association with this communication for which full payment has not been tendered.
